

Contacting Your Student's Teachers

You can contact your child's teachers by email using Gavit's web page. Simply, go online to School City of Hammond at www.hammond.k12.in.us. Click on 'School Web Sites' which is located on the left side of the blue horizontal bar. Hold the cursor down on "Middle, High Schools" and slide it to "Gavit MS/HS and our web page will appear.

If your student is in high school, double click on 'High School' and a list of departments will be shown. If you want to contact an English teacher, click on English Department, and pictures of the staff will appear. Click on the teacher's name and you will be taken directly to their email.

The directions are the same for Middle School except you would click on the Community Name rather than the department and then the teacher's name.

If you are unable to contact them by email, please feel free to reach them by phone. The number is 989-7325. If the teacher is unavailable when you call please leave a message for them to call back.

Please contact me if you have any questions.
